10 Sir:

COMPLIANCE WITH REQUIREMENTS FOR PATENT APPLICATIONS CONTAINING
NUCLEOTIDE SEQUENCE AND/OR AMINO ACID SEQUENCE DISCLOSURES

15 In reply to receipt of a "Notice to Comply" with requirements for patent
applications containing nucleotide sequence and/or amino acid sequence
disclosures dated September 17, 2001, for the above-identified application, in
accordance with 37 CFR § 1.821 - 1.825, Applicants hereby submit: (1) a write-
protected diskette containing a computer-readable submission for the "Sequence
20 Listing"; and (2) a "Sequence Listing" paper copy of the contents of the diskette.

REMARKS

25 Enclosed is a write protected floppy diskette with the sequence listing
generated by the Patent Office's PATENTIN program. The Diskette should comply
with the requirements of 37 CFR §1.824 and is IBM PC compatible with a PC-
DOS/MS-DOS operating system. If the diskette has been damaged, please call
Applicants and a replacement diskette will be provided. A hard paper copy printout
of the diskette is attached thereto.

I hereby state the informational contents of the paper and computer readable copies of the Sequence Listing, submitted in accordance with 37 CFR 1.821(c) and (e), respectively, are believed to be the same. This submission introduces no new matter since enclosed sequences are the same as sequences which were submitted in priority documents.

Applicants have invested significant labor and care in preparing the present submission. The enclosed items are a bona fide effort to bring the present application into full compliance with the rules for sequence submissions. Should this not be the case, Applicants respectfully request notification of specific deficiencies and an opportunity for remedy, as described in 37 CFR 1.135(c).

Applicants believe that no fees are required; however, if any fees are required by the present Response, the Commissioner is authorized to charge any fees or credit any overpayment to DNAX Research Institute Deposit Account No. 04-1239.

Respectfully submitted,

Date: December 17, 2001
